Re: Tiffany Peoples-Hunt v. Home Depot, USA
Case No.: 17-cv-14134

Dear Ms. Essix:

Thank you for your letter dated January 12, 2022 regarding the above matter.

The underlying case involved the wrongful death of an individual who was run over in front of a Home Depot store because the stop sign had been removed from the crosswalk.

The case was resolved without any consequential motion practice that I can recall. There was a motion to approve the settlement of the case that was entered into following successful resolution at mediation. That was the only time that I can recall Judge Cohn had any direct involvement with the matter.

I trust this letter is responsive to your inquiry.

Respectfully,

Jules B. Olsman
